FORM OF BEQUEST.

I give and bequeath to "THE WOMEN'S CHRISTIAN ASSOCIATION OF PHILADELPHIA," a corporation under the laws of the State of Pennsylvania, the sum of _____ dollars, to be applied to the uses and purposes of said Association.

FOURTH ANNUAL REPORT.

It is with heartfelt gratitude to God that we briefly summarize the labors of our Association during the past year. We trust that the public will realize that those for whom we labor are God's dear children, and that all who contribute either of their substance or their time, to forward our work, are obeying the divine injunction, "To do good and distribute, forget not, for with such sacrifices God is well pleased!"

Before entering upon the record of our direct home-work, we desire to make mention of the Second National Conference of Women's Christian Associations, which was held in the West Arch Street Presbyterian Church, the third week in October, 1873. It was a season of delightful communion with Christian sisters from various portions of Christ's vineyard. Brought together by a common purpose, drawing their inspiration to labor from a common source, the meetings could not fail to be profitable. Those for devotion were seasons of refreshing from on high, those for business were devoted to lively discussions of divers matters pertaining to various charities, and the best methods of extending the work and influence of the organizations. There were delegates from seventeen Associations. We delight to record that our intercourse with these Christian sisters added greatly to our faith, inspiring fresh zeal in behalf of those who are in need of human sympathy and encouragement in the battle of life.

BOARDING HOUSE, 1605 FILBERT STREET.

Our fourth year opened amid the first dark clouds of the "panic," the effect of which was to greatly increase the demand

for aid, and decrease the means of rendering it. Many young women were thrown out of employment, some partially, some wholly. A few found refuge in their rural homes, others took situations at domestic service. Those who remained with us were not always able to meet promptly their board bills, but for this cause none were turned away. We can still report the house not only self-supporting, but with a surplus sufficient for the necessary repairs and replenishing.

We have had but one serious case of illness during the year. To this, as well as all other cases requiring medical advice or attention, Dr. Hamilton Osgood has given faithful and gratuitous service. To him and to Dr. W. W. Keen, who still attends to surgical cases, we desire to express our grateful acknowledgments. We are also under obligations to Dr. Bonwill for dental services.

Last winter one evening of each week was devoted to penmanship, under the instruction of Prof. Eakins, who most generously gave his services without other remuneration than the consciousness of aiding what he regarded as the laudable efforts of the Association to brighten and beautify the lives of those who toil.

A few extracts from the report of Admission Committee:

"The work of the Admission Committee is as varied as the characters with whom we have personal contact. The conduct of the boarders being under our supervision, we become acquainted with each one of them. The opportunity to encourage and comfort them in trouble, to cheer when dispirited, and aid them when in need, makes our work interesting and pleasant. We have been obliged to refuse many applications for board.

"Our Bible Class has been better attended than the previous years, and the very acceptable labors of its teacher, the Rev. J. R. Miller, has been greatly blest. Four of its members, during the past year, have publicly professed their faith in the Saviour. We frequently receive letters, from former boarders, bearing grateful testimony to the kindness of our matron, the appreciation of the home enjoyed with us, of their success in life, &c. One recently reached us from the principal of a seminary in the West. While our boarder she had fitted herself for teaching. Several have returned to their country homes to pursue the

trades learned while boarding here, able to support themselves and younger sisters.

“It is not unusual for boarders who have left us to apply for readmission, or, in their own words, ‘to return home.’ The anxiety which accompanies our work, the painful solicitude which we feel for the young and inexperienced who come to us, is abundantly repaid when we hear such expressions as these: ‘We have found here a mother and a home.’”

This department is a grand feature of our work, the signal success of the past four years impels us to *emphasize* this, and press it home upon the thought of the Christian women of Philadelphia. As we stated, in our last Report, our city furnishes employment to not less than *sixty thousand women, exclusive of those engaged in domestic service.*

No thoughtful observant person need be told that very many of these are inadequately remunerated. We must believe that the exigencies of trade will not admit of any material increase of wages. If this difficulty is to be met at all, it must be by a decrease of the average expense of daily living. This, we have demonstrated, can be done. The object which our Association has in view, and which we desire the public to clearly apprehend, is the establishment of other boarding houses where women can obtain homes, with all the comforts and attractions which that sacred word implies, at from \$2.50 to \$3 per week.

Nos. 139 AND 141 NORTH SEVENTH STREET.

Our work in Seventh street has been prosecuted with unabated vigor during the past year. In our last Report we stated the need for more room, and the hope that we might be able to build on our adjoining lot. This we have accomplished, the building is completed. We now have a commodious dining room, a spacious hall for the meetings of the Association, lodging rooms, industrial rooms, and employment rooms. The cost of this improvement was \$8491 84, one thousand of which is yet to be paid.

We give below statistics, from which some idea may be gathered, of the year's work in these departments.

These are only the dry facts, they do not indicate the joy of the many weary, wandering, friendless ones who have received our benefactions; they do not show the renewed health and vigor which many have experienced from a warm dinner, and a kind, loving word from ladies of our committee who are in daily attendance; neither do they point out just how many we have been able to raise from abject despair and helplessness to hope, and, as it were, to life. If we could chronicle these, they would move the hearts of all to come to our help, and there would be no lack of means to provide for hundreds where we now only aid scores.

INDUSTRIAL DEPARTMENT.

The number of women and girls who have been engaged in this department have been few. The insufficient accommodations prevented an increase of numbers. The committee in charge realize that it is an important branch of our work. They employ a competent teacher; the instruction both in hand and machine sewing is thorough, and as soon as a pupil attains proficiency, she receives a certificate and remuneration.

There have been some touching cases the past year, where women have eagerly sought to avail themselves of the advantages here afforded. Hereafter, with our increased facilities, we hope greatly to extend our labors.

Owing to the depressed state of business and finance, at the beginning of the year, many feared that our work would

languish. But we remembered that the gold and the silver are His for whom we labored, and as we saw the donations decreasing, felt that extra efforts must be put forth to meet the emergency, and three entertainments were given with very satisfactory results.

The first was a concert of "Sacred Song," conducted by Philip Phillips, and held in Dr. Chambers' Presbyterian Church, through the kindness of pastor and trustees. The net proceeds were \$473 10.

The second was a "Kettle Drum," at Horticultural Hall, March 12th. It was a delightful social reunion, inasmuch as it brought into active co-operation very many ladies outside the Association who rendered most efficient aid, and greatly cheered and strengthened us. The net proceeds were \$2278 65.

On the fourth of June a "Strawberry Reception" was given at Horticultural Hall, the proceeds of which were \$1688 35. For the success of these entertainments we are greatly indebted to Mrs. A. F. Lex, who, with untiring energy and zeal, not only planned but personally superintended these efforts, which enabled us to proceed with our work without embarrassment.

We are also indebted to Prof. Wm. G. Fischer and other gentlemen, for valuable assistance on these several occasions, and our thanks are especially due Messrs. Cornelius, for the loan of numerous candelabra, &c., and to the Carpenter Company for a plentiful supply of ice.

During the latter part of the winter, the Association held a devotional meeting two days in each week, in Dr. McCook's Church, on Broad Street. They commenced and continued mainly in the interest of temperance. It was the testimony of all who attended them that they were precious seasons. Here we experienced the power of Christ's spirit, which binds all the members of His body in perfect fellowship and harmony, and also realized some signal answers to earnest, supplicating prayer.

VISITING COMMITTEE.

In the performance of the routine duties which this Committee have assumed, they visit, statedly, Moyamensing Prison,

Wills' Hospital, Industrial Home, Alms House, and House of Correction. The monthly reports are full of incidents testifying, in unmistakable language, to the value of their ministries to the various classes of unfortunates whom they visited.

It is not alone the work of this Committee to carry spiritual comfort to those who are in darkness, they also to seek out the poor and needy, the widow and the fatherless in their afflictions, and minister to both body and soul. We believe, through this agency, many sad hearts are cheered, many anguished souls are lifted up out of darkness into light and peace. By such quiet and unobtrusive instrumentalities many shall shine at last "as the stars, forever and forever."

SEA SIDE HOUSE.

(Report from that Committee.)

The erection of our Sea Side Boarding House is the realization of a long-cherished hope. One of the founders of this Association, now our esteemed President, feeling keenly the need of a summer boarding place, in connection with our city work, has been, since the establishment of our Filbert Street house, maturing this philanthropic thought. It is a pioneer work. In June, of the present year, the subject was brought before our Association. While it was being considered, a letter was presented by Mrs. Samuel M. Stiles, from Mr. James A. Bradley, of New Jersey, offering to donate to us a lot of ground for this purpose at Asbury Park, New Jersey. This was most gratefully accepted, and, with such a stimulus, the appointed Committee acted promptly. Asbury Park is situated on the sea coast, adjoining Ocean Grove, six miles south of Long Branch. Our lot is located at the corner of Park Avenue and Heck Street, having a front of 75 feet, and a depth of 150 feet. The contract for the building was signed July 3d, and the formal opening of the House took place August 4th. Hon. William S. Stokley, Mayor of Philadelphia, presided. The exercises were appropriate and deeply interesting. Among the speakers and guests were President Grant, Bishop Simpson,

Rev. Dr. Kynett, Rev. Dr. Dales, Senator Scott, Ex-Chancellor Halsted, Felix R. Brunot, Esq., and George H. Stuart, Esq. Rev. Dr. Dales, of Philadelphia, made the opening prayer, after which the singing of the good old hymn commencing, "Blest be the tie that binds," by Prof. G. W. Fischer's choir, the music of which rang through the woods and died away on the shore like the echo of a happy heart. Then a poem by Helen M. Cooke (Lottie Linwood) was read by Hon. O. S. Halsted, ex-chancellor of New Jersey, which was as follows :

NEW JERSEY'S WELCOME TO THE WOMEN'S CHRISTIAN ASSOCIATION OF
PHILADELPHIA.

Daughters of Penn, the Master's love
Has brought you here beside the sea,
As in the olden time it brought
His followers' feet to Galilee;
We welcome you with grateful pride!
We welcome you with Christian joy!
Here may your influence now abide,
And here your richest gifts employ.

We welcome you, and say, God speed
Your noble work for which you've come,
To fill the struggling toilers' need,
And give the weary rest and home.
We welcome you as *first* to raise
Such "Seaside Home" for health and rest;
And nature welcomes you with praise,
Through piney woods, from ocean's crest.

The solemn ocean lays her hymn
Of benediction at your feet;
And all its waters cannot dim
The record you to-day complete.
And over all the shining sands
The waves a dalliant welcome write,
While here your noble structure stands
To homeless ones a beacon light.

The angels might the blessing crave
 That you are winning hour by hour,
 By Christ-like work to soothe and save,
 By woman's sweet untiring power.
 And may the name of Bradley live
 With noble names long gone before,
 While bright Atlantic billows give
 Their dancing surf to Jersey's shore.

Oh, Home embowered among the leaves!
 Oh, Home beside the singing sea!
 What triumph now thy cause achieves,
 What prayers and hopes encircle thee!
 Here churches clasp one common hand
 In the dear Christ's to give and bless:
 So may this monument long stand,
 For rest, and health, and happiness.

We desire to record the efficient aid rendered us in our work by James A. Bradley, Esq., and the kindness and co-operation of the citizens of Asbury Park and vicinity. While the building was being erected the "Philadelphia children" of Asbury Park had an entertainment, the proceeds of which were given for the purchase of a circular window in the front of the house. We would gratefully mention also, that a concert, under the direction of Prof. Brown, of Carmel Seminary, New York, was given for the benefit of the boarding house.

We all felt the need of this summer resort for the overtaxed toilers of our city. The experience with our own boarders had proved it, but not until the applicants came to us, expressing their satisfaction that at last this great want was met, did we realize what a real need it was. The late date of opening, and our limited accommodations, prevented many from availing themselves of its benefits.

We have erected only the rear wing of our building, and can receive but twenty-one boarders. We must not stop here; another season a larger boarding house must supply the demand. We cannot refuse the many applicants who need just such a recruiting place. The long winter of work is before them. Two weeks of entire rest, of sea air and bathing, gives

them fresh energy, hope, and ability. This we have supplied, including all expenses, for the moderate sum of eleven dollars. We need only the *means*, our time and strength will be gladly given. Shall the \$5000 which is required to complete our building be withheld? We trust not. Most gratefully do we record our thanks to Him who has blest our efforts, and enabled us to accomplish this part of our work. To God be all the glory!

With these statements we close the summary of our year's work. Have we not abundant reason to thank God and take courage? Who does not consider it a privilege to labor in so great a cause? who would not humbly share in the glory of so grand a success? The responsibility is with us, the power is His own, and while some plant and others water, God must ever give the increase. Thus our faith abides, and we go on our way rejoicing.
